

JOIN AN APEX INTERNATIONAL PROFESSIONAL BODY IN PRODUCTIVITY

About World Academy of Productivity Science (WAPS)

WAPS (www.waps.info) is the academic division of World Confederation of Productivity Science (WCPS, www.wcps.info). WCPS is a Canada-based apex international body engages in promotion and development of Productivity Movement Across the Globe.

Management: WAPS is managed by a WAPS Board comprising of a President and Vice Presidents, and guided by an Advisory Council. Committees for various activities and projects are constituted by the WAPS Board from time to time.

Activities: WAPS engages in Publications, Research, Training and Capacity Building, Round Tables, Webinars, and more — for the promotion of productivity movement. Current WAPS activities include:

- *International Journal of Productivity Science (IJPS)*: WAPS produces an annual e-journal for the benefit of Members, with contributions from Fellows, Members, and other productivity professionals.
- Knowledge Sharing Forum (KSF): WAPS organizes a quarterly web-based discussion on themes of relevance with speakers from across the globe.
- Fellow Induction: Eminent productivity professionals are inducted as Fellows of WAPS through a nomination and selection process; the WAPS Fellow Selection Board reviews, approves, and rewards successful nominees the Fellow of WAPS honor.
